

COIN LAUNDRY SOLUTIONS

ECOVOLUTION
by **DOMUS**

Welcome to **ECOVOLUTION** by DOMUS

We have developed a new line of cutting-edge products, packing energy savings and high performance throughout their entire service life.

Water

One of our goals is to reduce water usage, so we will not allow ourselves to waste it. We provide efficiently-designed washers featuring water-saving programmes, in addition to a unique water-recycling accessory, the **ECOTANK**.

Energy

Energy efficiency is key for laundry services. Our machines have been designed with this goal in mind for greater energy savings.

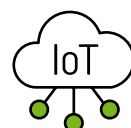

Chemicals

Our washers are designed with features to ensure using the smallest amount of chemicals is easy.

TECHNOLOGY AND EFFICIENCY IN THE SELF-SERVICE SECTOR

DOMUS is offering complete solutions for the coin sector since the beginning.

DOMUSCONNECT

A wide range of machinery to suit any coin business, and now we take a step further with **efficient solutions** and **DomusConnect**: the IoT for the control of the business, and **DOMUS LAUNDRY App**: the new application of reservation of machines and payments.

Clean & Go

By Domus

A complete design proposal for your coin shop: machines and complements can be adapted to the most suitable business size.

DOMUS supplies the designs for free. The customer needs to size and print the vinyl at his own expenses.

Washing and drying instructions on the wall

Specific machines for the washing of animal laundry

Clean & Go

By Domus

CLEAN & GO by Domus is a laundry with a daring, modern and functional design to create and decorate your own coin laundry.

DomusConnect

Manage your business remotely.
Set up your self-service laundry: schedules, payment methods, discounts, etc.

Control your machines remotely:
programs, prices, configurations, telemetry washing and drying, etc.
More on pages 12-15.

Unique features

TOUCH II dryers with perfume dosing option in the final phase.

Machines solutions

Specific machine for the washing of animal laundry.

Signage

The most varied messages to be adapted to your space: opening times, front shop, instructions, wifi corner, prices, etc.

DROP&GO service

A complement section to the self-service shop for those people who have no time to wash and iron: they can leave their clothes in a locker and the laundry staff will wash and iron the load of garments for them in a professional way.

Ozone cabinet

The ECO3 cabinet series are cabins designed to DEODORIZE and SANITIZE all kinds of clothes, accessories and materials by using ozone.

Helmets, jumpsuits, jackets, boots, hats, caps, toys and teddy bears, bags, stuffed animals, bedspreads, pillows, curtains, pet beds and clothes, etc.

They are also ideal for highly elaborated costumes and clothing that cannot be water washed, dried or ironed.

Clean +us

Domus Heavy Professional 8 and 10 kg washers and dryers are ideal for the small coin businesses such as hairdresser's, camping sites, gyms, nurseries, hotels, etc.

Available to work with coin, tokens, with central pay and with mobile phone: with the DOMUS LAUNDRY APP (only TOUCH II models).

Creating ozone inside the cabinet

STEP 2

Ozone concentration in the compartment with the material to be disinfected

STEP 3

Destruction of ozone inside the cabinet.
Emptying the cabinet

Clean+Us components

OTHER ACCESSORIES

To create your own combination

Component	Code
A Folding top panel (for PACK 1+1 H)	19074101
B Vended frame (for a STACK PACK - 1 column)*	19074102
C Dosing cupboard (for all PACKS)	19074089
D Display LED (for STACK and DOUBLE PACK)	19074103

A

B

Vended frame for Heavy Professional washer and stacked dryer

*For DOUBLE PACK you need to order 2 vended frames and dosing kit 4 machines.

C

Cupboard designed to fit the dosing kit

D

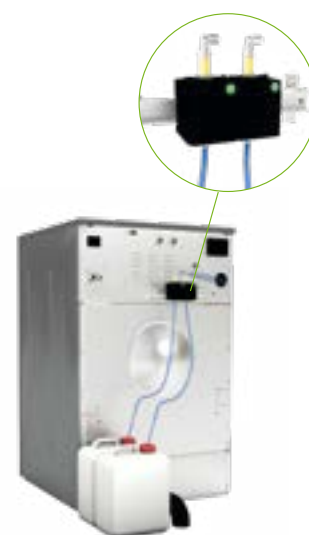

Display to be customised by the owner

Kits of soap dosing pumps for washer extractors

Dosing set for 2, 4 and 6 machines, with two chemicals. We use the machine program signal for the activation of the dosing set.

IMPORTANT: Not all chemicals are compatible, for this reason it is important to carry out tests in a laboratory. We recommend to check with the sales department.

Payment systems

Domus heavy professional and industrial washing machines and dryers are prepared to work with coin/token, with the DOMUS LAUNDRY payment app or be connected to a central pay.

1

Coin / Token

in washers and dryers: mechanical token, mechanical coiner and electronic coiner.

MACHINE FOR CHANGE

Bank note acceptor standard. Coin acceptor as option.

Coin return: 1 hopper delivers only coins and 2 hoppers delivers coins and tokens.

Payment memory.

Programming by CPU with push buttons.

4 digit 7 segments display.

Auto-diagnosis on display.

Partial and total accounts software.

2

External device

By means of an external device, which communicates with the machines.
For example a **central pay**.

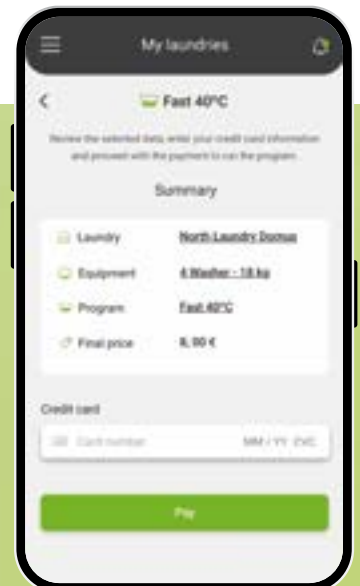

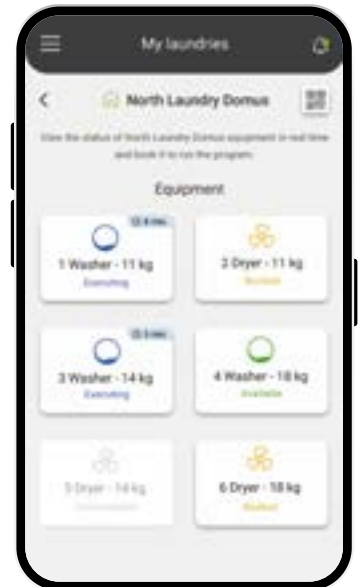

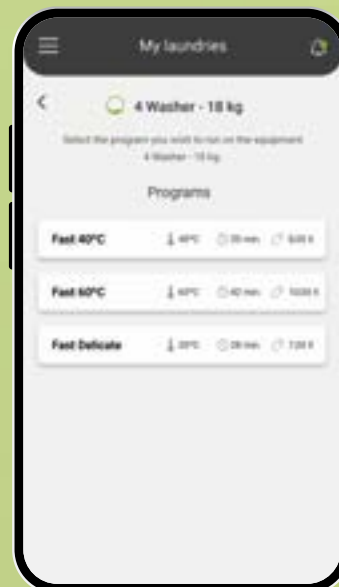

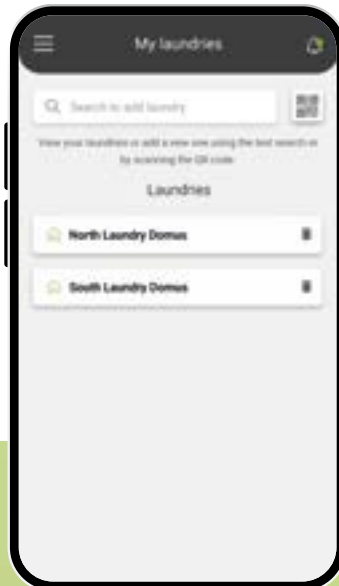

3

DOMUS LAUNDRY payment APP

Through our APP or a third party one we can book and pay with mobile.
Available for Android and iOS. **FREE**.

DOMUSLAUNDRY

Self-service app

DOMUS LAUNDRY is the most convenient option for using the service with your mobile: choose the shop closest to you when you need a laundry, select the machine and the program and, once finished, pay using your mobile. You will also get statistics on all your washes and be able to enjoy promotions.

Self-service app for the user

Offer the self-service app to your customers:

With the self-service app, your customers can search for your laundry, book and pay for the machines easily, from the app itself and through the QR code displayed on the machine screen.

Manage bookings and payments at your trusted laundry. The app lets you:

SEARCH FOR LAUNDRIES AND ADD THEM TO FAVOURITES

VIEW THE STATUS OF THE MACHINES IN REAL TIME

BOOK MACHINES FOR WASHING OR DRYING YOUR LAUNDRY

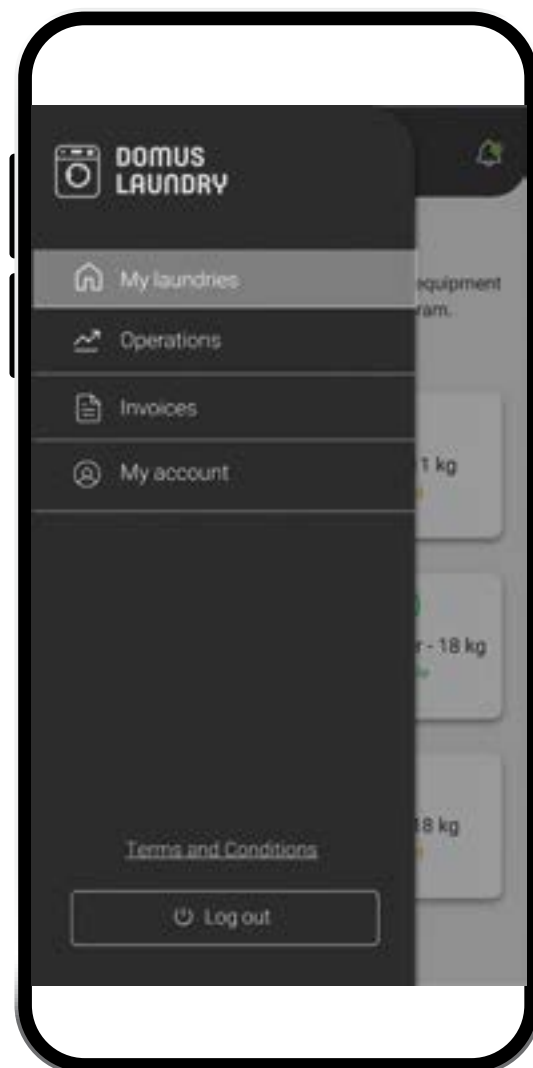

PAY THROUGH THE APPLICATION

RECEIVE PROGRAM ALERTS WHEN IT IS ALMOST DONE

VIEW YOUR OPERATIONS

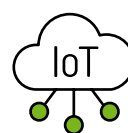

REQUEST AND DOWNLOAD YOUR INVOICES

RECEIVE DISCOUNTS AND PROMOTIONS

DomusConnect platform and Domus Laundry App completely free

Self-service app for the owner

DOMUSCONNECT

Configure and manage your self-service laundry (opening times, program pricing, payment methods, QR code, promotions, utility costs, etc.), so your customers can find your laundry on the DOMUS LAUNDRY app.

As the owner, configure and manage your self-service laundry to maximise the efficiency of your business.

Through the management platform you will be able to configure the following information for your laundry shop:

NAME

LOCATION

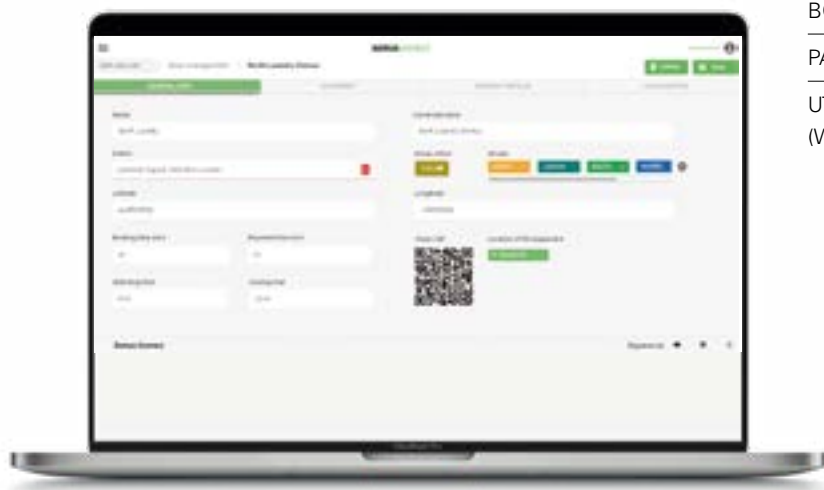

OPENING AND CLOSING TIME

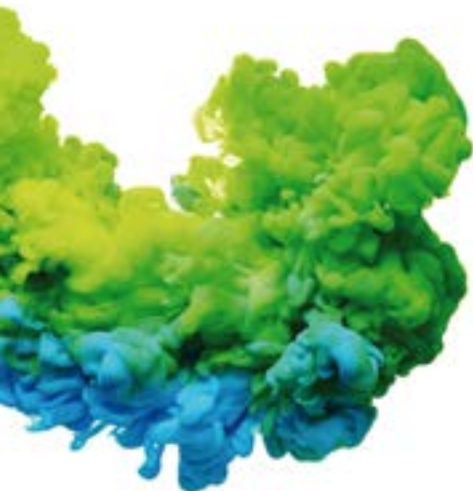

BOOKING TIME AND TIME FOR PAYMENT

PAYMENT METHODS

UTILITY COSTS

(WATER, ELECTRICITY, GAS AND CHEMICALS)
